## About Me

From my young years I felt satisfaction in creative art. My creative journey currently continues at University of Hertfordshire, where I'm currently finishing my degree.

I focused my studies on character design, but also worked on some props, as I know that is more of an entry job. I realize I still have a lot to learn but I'm eager to continue with my journey and enter the professional world.

## Education

2015-2021 BA Games Art  
University of Hertfordshire

2013-2015- Ext. Diploma  
Game Design  
Henley College Coventry

## Software:

Maya

ZBrush

Substance Painter/designer

Photoshop

UnrealEngine4

I have entered the  
"Rookies Awards  
2021"

Here is a link to my  
submission:

## Aspirations

I want to work my way up to one day work for one of the AAA giants as a Character artist maybe even a lead one in the future.

I aim to be a part of the design and creation of Characters.

right now I have an attitude that no job is too small and I am ready to

## Hobby/ Experience

University Volleyball team /captain social secretary:- responsible for organizing social events for the team and managing team's social media, team organisation etc.

Ever since 16 I've spent every summer working either part or full time. My jobs included: retail, chef at Frankie and Bennys, prezo, door to door charity for Marie Curie's foundation, deliveroo and many others.
